

PECO is a specially designed luminaire and composite application system for the corridors of office space, providing uniform, comfortable and non-glare lighting performance. The lamp only outputs large-angle polarized indirect light, from the ceiling 25CM spacing can achieve 1.5 meters of uniform irradiation of the corridor ceiling, which is a good solution to solve the pain of uneven distribution of corridor light offered by spotlights, down-lights or other lamps. The lamp adopts a new link-able design which can be directly inserted to realize the connection installation between fixtures, very simple and reliable. Peco has a very clean design, perfect technical details and rich texture. With aluminum 6063 housing and high quality powder coating surface finish, 48V DC power supply, built-in constant current control unit and motion sensor (optional). The lamp supports motion sensor function. Suitable for corridors applications at office space or other commercial space.

Features

Easy and best solutions for the corridor lighting

160° beam angle indirect light only, deliver uniform and comfortable lighting for corridors

High lumen efficiency reach to 100LM/W

Easy to connect and link, fast for installation

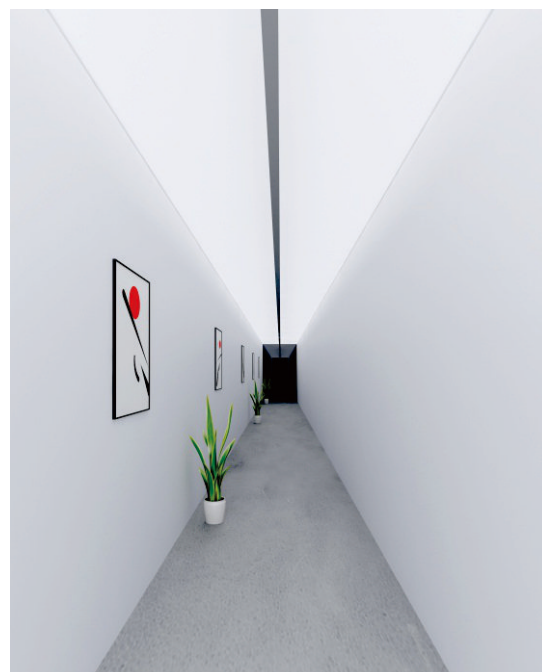

A remote control box support 40 meters fixtures

Support motion detector

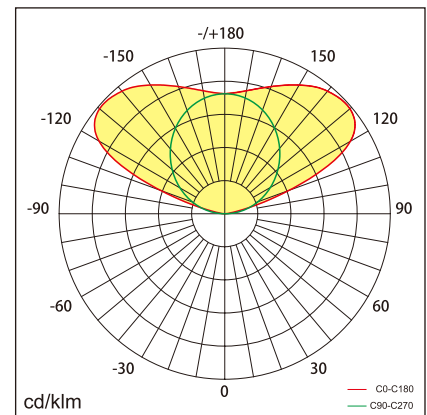

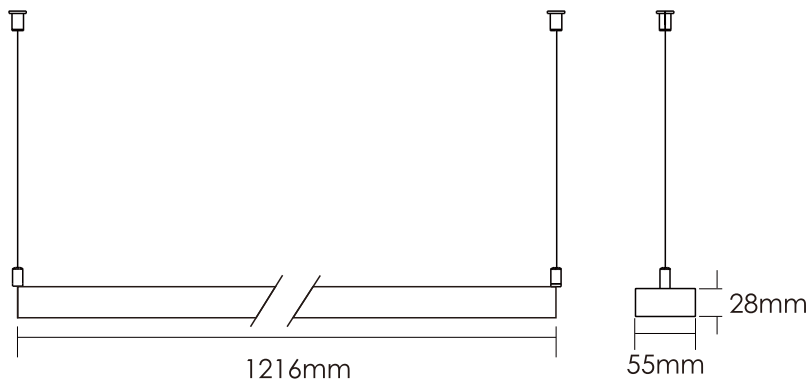

5 years warranty

Application Areas

For corridors

Technical data

Item No.	BPEP-1201000-NN	BPEP-1201000-NM
Input Power	10W	10W
Input Voltage	AC200~240V	AC200~240V
Power Factor	≥0.9	≥0.9
Luminous Flux	1000lm	1000lm
UGR	<6	<6
Color Rendering Index	>80	>80
Life Time	L80(B10)50,000H	L80(B10)50,000H
Beam Angle	160°	160°
CCT	3000/4000/6000K	3000/4000/6000K
Colour consistency SDCM	< 3	< 3
Dimming	NO	NO
Sensor	NO	Motion sensor
Housing Color	Silver/White	Silver/White
Fixture Materia	6063AL	6063AL
Protection Level	IP20	IP20
Storage Temperature	-40°C~+80°C	-40°C~+80°C
Working Temperature	-20°C~+45°C	-20°C~+45°C
Net Weight	2.2kg	2.2kg
Package size	1360*475*260mm	1360*475*260mm
20GP	1704pcs	1704pcs
40GP	3780pcs	3780pcs
